3 March 1970

MEMORANDUM FOR: Chairman, Guided Missile and Astronautics Intelligence Committee

SUBJECT : Request to Convene [REDACTED]

REFERENCE : Memorandum for Executive Director, NPIC, from Chairman, GMAIC, dated 26 February 1970; Same Subject

1. We are pleased to provide the Main Auditorium and Room 3S-455A (IEG Teleprompter Room) for the subject Conference on the dates requested in the reference.

25X1 2. [REDACTED], of the Missiles and Space Division, is the NPIC/IEG officer designated as the point of contact [REDACTED]. It would be appreciated if we could be provided the full names of all participants and the clearances they hold by message no later than 13 April 1970.

3. As you know, off-street parking here is dear. At this time, I can promise no more than three spaces each day. Perhaps you could arrange for a morning and evening bus from the Headquarters building or some other central point.

[REDACTED]  
Executive Director  
National Photographic Interpretation Center

GUIDED MISSILE AND ASTRONAUTICS INTELLIGENCE COMMITTEE

26 February 1970

25X1

MEMORANDUM FOR: [REDACTED], Executive Director,  
National Photographic Interpretation Center

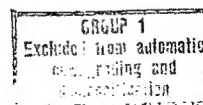

SUBJECT: Request to Convene [REDACTED] Guided Missile  
Intelligence Working Party 42 (WP-42, Soviet  
Strategic Missile Deployment) at NPIC

1. Subject Working Party is scheduled to meet 20-24 April 1970 in Washington. Because of ready access to the material and other support available at NPIC, the use of your facility for this meeting would be greatly appreciated. If available, the sixth floor auditorium is preferred. The meeting will separate into two groups from 21 April to noon 22 April, requiring an additional smaller conference room.

2. Parking spaces as available are also requested.

[REDACTED]

Chairman
